

Mr NG Chong Khim
Deputy President (Corporate Services & Marketing)
Singapore Technologies Electronics Limited

Mr Ng Chong Khim is the Deputy President (Corporate Services & Marketing) of Singapore Technologies Electronics Limited. He supervises ST Electronic's Corporate divisions including Human Resource, Corporate Finance, Logistics and Materials, Facilities, Security and Business Excellence. He is also responsible for the Corporate Marketing of the ST Electronics Group and oversees ST Electronics' local (non-Defence) business.

Mr Ng joined ST Electronics in July 1997 as the Senior Vice President and General Manager of CET Technologies [now ST Electronics (Info-Comm Systems)]. Prior to this appointment, Mr Ng held senior management positions in several ICT companies, including Telecom Equipment (a subsidiary of SingTel) and Singapore Computer Systems. He served in the Singapore Ministry of Defence (MINDEF) from 1981 to 1990 and held the appointment of Assistant Director (Communication Systems), responsible for the development and implementation of large-scale communication systems. He subsequently assumed the appointment of Deputy Director (Management Services) in MINDEF.

Mr Ng is a director of the boards of ST Electronics (Satcom & Sensor Systems), ST Electronics (Info-Software Systems), ST Electronics (Info-Security), ST Electronics (e-Services), iDirect Asia Pte Ltd, WizVision Pte Ltd, ST Electronics (Data Centre Solutions) Pte. Ltd and Trusted Hub Pte Ltd.

Mr Ng is a member of the Advisory Committee of the Bachelor of Technology Programme of the National University of Singapore, a Council member of Singapore Infocomm Technology Federation (SiTF), and a member of the Engineering Advisory Committee of Nanyang Polytechnic. Mr Ng sits in the External Review Panel of the Institute of Technical Education Quality Assurance Framework (IQAF). He is a Fellow of the Institution of Engineers, Singapore (IES), a Certified Systems Engineering Professional (CSEP) and a member of IES' Systems Engineering Technical Committee.

Mr Ng graduated with a Bachelor of Electrical Engineering (First-Class Honours) and a degree of Master of Science in Industrial Engineering from the National University of Singapore. He also holds a Diploma in Management Studies from the Singapore Institute of Management (SIM) and has completed the Programme for Management Development (PMD) at Harvard Business School.

Married with a son, Mr Ng enjoys reading and golf.
